### SPECIALITY TEAS

GUNPOWDER TEA	2.50	ENGLISH TEA	2.50
From Zhejiang, China the name 'gunpowder' comes from the shape of these green tea leaves when they've been rolled - tightly wrapped pellets, like old fashioned gun shot.		A freshly brewed pot of traditional tea.	
Experience a beautifully delicate green tea with a wonderful thirst quenching taste, a cup of gunpowder green tea will brighten up even the greyest of afternoons.		PEPPERMINT TEA	2.50
		Pure mint - so, as you'd expect a strong minty taste, then. Very refreshing, very light. Caffeine free.	
JASMINE TEA	2.50	MIXED BERRIES INFUSION TEA	2.50
These pretty, white flowers are picked early in the day and layered with high quality green tea when the small petals are tightly closed. As night falls the petals open and release their light, perfumed, floral fragrance into the tea giving it a delicate, refreshing taste.		A flavorful herbal tea expertly blended with the luscious flavors of raspberries, strawberries, blueberries and blackcurrants to deliver a delicious tea with a fresh, fruity aroma and naturally sweet taste
